Hello again!

I just wanted to make sure you all see the information on the 2<sup>nd</sup> page of the agenda. Access/ ID requirements for federal buildings in D.C. have changed recently. An Alaska Driver's Licence is no longer accepted as picture ID. You'll need to have another form of picture ID, such as a tribal ID card, federal or state ID card, military ID card, or a passport with you. The meeting will be at the William Jefferson Clinton Building East (formerly known as the Arial Rios Building East) Room 3233. You'll need to call (202) 564-5700 for an escort when you arrive. Sorry for the extra difficulty.

Dear President Goozmer, Donita, Rob, and Heather:

Please accept my apology for the delay in getting back to you. As I discussed with Rob a few weeks ago, coordinating a meeting like this can be a challenge. I think November 12 at 2:45pm EDT will work for most everyone, and that this will be a good opportunity to discuss the status of the proposed Chuitna Coal Project. I've gone ahead and drafted the agenda attached here. If you'd like any changes or additions, or if you have any questions or concerns, please let me or Marissa know as soon as possible. I can be reached at (206) 553-7263, and Marissa can be reached at (202) 564-2467. I hope you're all having a nice fall, and that you have a great trip east. We look forward to talking with you soon!

Sincerely,

Katherine Brown, M.S.
